

Bourgeoise and Lake of Col de Joux Plane

Bourgeoise is a top which name is not very flattering to the fair sex. In fact, one says that its name comes from the fact that its easiness to climb makes this top also accessible to the « little womens ». Despite its easiness of access, this top provides a magnificent view onto the upper Giffre Valley and onto the Mont Blanc. In order to make the hike somewhat longer and more interesting, we will also climb onto Pointe de Chamossière before going down to Lake of Col de Joux Plane. This lake, despite the presence of the road, is beautiful.
