

The Montagne des Princes

During the tour I am suggesting here, two essential subjects will be addressed. First the Romans. Vens was, at roman times, an important harbour where the goods were loaded on wagons, in order to be brought to Geneva. This place is still imbued from this period.

Then, this mountain is absolutely magnificent in this season. Later, when the flowers have faded, the most interesting plants will no longer be visible.

Price:

For the current prices, please refer to the on-line programme.

This fee includes everything, except:

Transportation fees from the place of residence to the meeting point. Transportation by the organiser (minibus): CHF 5.-
