

The crossing of Pierra Perchia

Pierra Perchia is a dimple that is located behind Cape au Moine. Thus, we will be hiking above Montreux. To provide another concept, the hiking tour will be done as a crossing, using the public transportation. Thus, we will take the MOB train to reach les Allières. From this place, we will climb to Pierra Perchia in order to cross the crest and go down to Col du Soladier.

At les Avants we will take again the MOB train to go back
