

Plans de Bovine

The ones that have once done the Tour du Mont Blanc know well this place. It has certainly left an unforgettable remembrance. In fact, this Alp is located on a slight flat above the city of Martigny. Thus, one enjoys a magnificent view onto the central Valais. Thus, one sees, in the far background, the city of Sion. The climb will be done along the summer path until la Giète. From there, we will directly reach the crest, in order to avoid the steep slopes around Portalo.
