

Pointe de Cray

In addition to the fact that this mountain top is displaying a beautiful view, its climb is also gorgeous. In fact, starting from Château-d'Oex, the path climbs above the village in order to mount the Mérils mountain pastures.

This climb being done in crossing we will enjoy different sceneries depending on the whether we will be on the Pays d'En-Haut or on the Intyamou side of the crossing.

Going down will be by passing by Bra and Lessoc. We will take the train again in Montbovon.
