

The Pointe du Midi

The Pointe du Midi is a wonderful top. When I say wonderful, I mean that the views from this top are magnificent. Facing us, we will see the big Trient ice fall. To the right, we will see the Mont Blanc range and to the left, the long crest that goes down from Pointe d'Orny to Forclaz pass.

In order to be more comfortable, we will start from France. Doing that will enable us to take the cableway of Charamillon and get over a few meters easily.
